COLLEGE SERVICE

2025-2026	Finance and Facilities Committee (FFC)
2024-present	Healthcare Management Steering Committee
2024-present	Exploratory Advisor and Academic Advisor
2024-present	Liaison for Allegheny College to the American Economic Association's Committee on the Status of Women in the Economics Profession (CSWEP)
2024-2025	Psychology Department Faculty Search Committee

OTHER INSTITUTIONAL RECORD

2025-26

- Served as a member of the Faculty & Facilities Committee (FFC), attending weekly meetings and contributing to discussions on campus initiatives and resources.
- Served as the first reader for students' senior projects.
- Represented the Business & Economics Department at multiple recruitment and admissions events, including the Admissions Open House Academic & Resource Fair and meetings with prospective students.
- Substituted for the Department Chair at a chair meeting focused on enrollment initiatives, contributing suggestions and reporting updates back to the department.
- Engaged in conversations with the Board of Visitors during Blue & Gold Weekend regarding student internships and career development.
- Advised new students interested in the Healthcare Management (HCM) program and supported program development and student mentoring.
- Met with Allegheny alum and retired healthcare executive Alan Weinstein to discuss Healthcare Management (HCM) curriculum development, particularly internship and career opportunities for students.
- Participated in the HCM panel discussion on the Healthcare Crisis in the USA.
- Participated in faculty engagement activities supporting student life, including the Faculty Appreciation Games for Women's Soccer and Women's Volleyball.
- Communicated with Amy Stearns, Second Year Dean and Director of Transfer Advising, regarding support for transfer student integration.
- Participated in campus community engagement and campus-wide events, such as the Gator Activities Programming (GAP) Fall Fest, the campus "Family Photo" holiday event, and the State of the College.
- Participated in departmental discussions on responding to AI in teaching and assessment, including exploring oral examinations, increased Q&A components in presentations, and revisions to senior project and seminar guidelines.
- Consulted with Department Chair Tom Nonnenmacher on RSEs feedback and pedagogical strategies to strengthen critical thinking, student engagement, and the integration of AI considerations in coursework.
- Served on the Board of Directors of the Meadville Children's Center, participating in fundraising activities, building relocation planning, and staffing discussions.

2024-25

- Served as an external member of the Psychology Department's search committee, completed DEI training, and participated in both Zoom and on-campus interviews.
- Contributed to the development of the Healthcare Management (HCM) Major by organizing the HCM info session, updating advising guidelines, promoting the program to

first-year students, and engaging in a professional development lunch with healthcare expert and alum John Frick.

- Represented the Business & Economics Department and HCM Program at multiple Admissions events, including the Fall Open House and the Major/Minor Fair
- Participated in various campus events to support student and alumni engagement, including:
 - Dinner with the Board of Trustees on faculty alignment with the Strategic Pathway
 - Breakfast with the Board of Visitors during B&G Weekend
 - Dinner and discussion with Executive in Residence Karen Skarupski '83
 - Breakfast with Women in Business & Economics
- Attended and contributed to Lunch & Learn sessions on integrating current events into classroom discussions
- Advocated for CSWEP (Committee on the Status of Women in the Economics Profession) initiatives at the 2025 ASSA Annual Meeting in San Francisco as departmental liaison
- Served as a substitute instructor for LS 120 and LS 121 courses on behalf of colleagues Aisha Yusuf, Sami Alkyam, Dara Delgado, and Steve Onyeiwu
- Delivered a guest lecture on China's population control policy in Steve Onyeiwu's Intro to Microeconomics course
- Mentored and supported teaching assistants (Grant Miller and Landon Schmader)
- Provided feedback on colleague Yunyun Lv's job market paper and supported her research progress
- Participated in a discussion lunch with the Marketing and Communications, offering insights on recruitment and marketing strategies
- Consulted with librarians on open access publishing options, and coordinated support for students' comps and research including additional workshops
- Attended new faculty lunches and participated in exploratory advisor meetings
- Met with prospective students and joined meetings with the Business & Economics Chair to improve student engagement strategies
- Served as the second reader for five senior student projects
- Evaluated senior projects and participated in honors deliberation for outstanding theses
- Engaged in peer teaching development through classroom visits and feedback exchanges

2023-24

- Participated in various events and meetings related to the development of the new Healthcare Management Major
- Participated in New Faculty Training Sessions and Lunch Events
- Engaged in teaching development through peer class visits and feedback discussions

Summer '24

- Member of the Revamping Business Statistics and Econometrics Group, contributing to the Summer Demmler project
- Involved in the Summer Demmler for Healthcare Management Curriculum & Promotion

Spring/Summer '24

- Contributed to the development and innovation of the new Health Economics course, collaborating with Health Economics professors from other liberal arts colleges
- Participated in training to become an exploratory advisor

Spring '24

- Engaged in the Center for Business and Economics: interacted with guest speakers, participated in Board of Visitors meetings, and served as session coordinator
- Served as the second reader for five senior student projects
- Assessed senior projects and determined honors for top graduate theses

- Member of the liberal arts macroeconomics group
- Engaged in discussions with female economists in liberal arts colleges on teaching and career development
- Involved in the transfer from visiting to tenure process for one faculty member
- Met with prospective students
- Collaborated with Allegheny's New Media Designer to capture photos of Healthcare Management professors in action for program promotion

Fall '23

- Participated in a brainstorming session with Dr. Kumar from our partner organization in India, the Swami Vivekananda Youth Movement (SVYM)
- Hosted prospective students in class to promote the Fall Into Allegheny program
